RE: MUR 6888 – Scott Walker Inc.

Dear Mr. Jordan:

This correspondence is in response to your letter dated September 9, 2015 and received by Scott Walker Inc. in the mail on September 14, 2015. American Democracy Legal Fund's (ADLF) Second Amended Complaint seeks to add Scott Walker Inc. to its meritless complaint originally filed with the Federal Election Commission on October 28, 2014.

Scott Walker Inc. engaged i360 as a data vendor to which Scott Walker Inc. paid for services rendered. Accordingly, Scott Walker Inc. did not engage in impermissible coordinated activity with i360 or any other entity for that matter. ADLF's Second Amended Complaint provides no evidence of Scott Walker Inc. being involved in a "scheme to skirt the Commission's 'coordinated communication' regulations," which is even more apparent now that Governor Walker has publicly decided to suspend his campaign for president. Therefore, the Commission should find no reason to believe and allow Scott Walker Inc. to be removed from this matter. Thank you for your attention to this response.

Respectfully submitted,

Kate Lind
